

Andreas Barth

München, Germany

- 1832 Andreas Barth (c1797-1868) obtained privilege for an improved trumpet and permission to manufacture (patent #264).
- 1835 Barth became licensed as a brass instrument maker.
- 1868 Barth dies and his widow Margarethe managed the shop.
- 1872 Son Johann (1846-after 1902) took over the business.
- 1877 Johann closed the business and moved to Regensburg to deal in flour.
