

The Georgian Trumpets

c.1920

A few examples of trumpets marked “The Georgian / Made by / Chas. E. George / Boston” have been found and appear to be Vega made. The design and engraving are similar, and Charles George was involved with Vega.

Georgian #14633 (below & top right)

#14675 (Horn-u-copia.net)

#21067 c.1921 with new design (below & #2 at right)

The slide lock looks like a later Blessing piece.

Photos are from internet sales unless noted.
