

P.S. 660+95

P.S. 670+45

Depot Road

**Structure Notes:**

1. Station built in 1880; the north end was renovated into a section house in 1926; removed in 1933. It now stands in a field on Hamm Rd.
2. Small building shown as having been removed on 1891 D&H Atlas. Site of temporary sand loading facility in 1924.
3. Section tool house from c.1890 until removal in 1926.
4. Lumber and log piles from early 1900's photos.

**Track Notes:**

- A. 950' siding from c.1880; removed in 1955.

Scale: 1" = 160'
